

TCS 25

ART NO: 1120 | MULTI PURPOSE CLEANER

TCS 25 is a highly efficient biodegradable alkaline cleaner for fat deposits, soot, nicotine and heavy dirt. **TCS 25** effectively cleanses most surfaces which are covered with soot after a fire. Gently removes dirt and grease from most surfaces.

TCS 25 is a gentle cleaner for most surfaces covered with soot after a fire. It is easy to apply close to a previous fire. Can also be used as an industrial cleaner for heavy contaminated surfaces.

INSTRUCTIONS FOR USE

Apply **TCS 25** from the bottom and upwards with a low pressure sprayer or with a brush. Allow **TCS 25** to dwell for a few minutes and then rinse off with luke warm water or jet off with high pressure preferably 40-90°C, and 40-100 bar, 20 litres/minute. In difficult cases, use a soft brush or a white nylon cloth to rub the difficult spot. As a final step rinse with lukewarm water.

Dosage

- Heavy contaminations dilute 1-5 times with water.
- Lighter contaminations dilute 6-10 times with water.

Storage

Store frost-free in original closed container.

Shelf life

Approximately 24 months in unopened container.

Precautions

Use protective gloves, clothes and goggles.

Technical data

- Liquid brownish fluid.
- Packaging: 5 or 25 litre plastic jerricans.
- Density: 1,07 kg/litre.
- pH 13.
- Contains hexyl D-glucoside, Sodium metasilicatePentahydrat, 2-propylheptanoletoxilat

Marking

Danger

Causes severe skin burns and eye damage.

Not classified as dangerous goods according to **ADR**.
