

TCS 40

ART NO: 1123 | SOOT AND MULTI PURPOSE ALKALINE CLEANER

TCS 40 is a biodegradable product used to clean soot after fires. **TCS 40** is an effective and gentle cleaner for most surfaces.

TCS 40 is a gentle cleaner for most surfaces that are covered with soot after fires. Can also be used as an industrial cleaner.

INSTRUCTIONS FOR USE

Apply **TCS 40** with a low pressure sprayer or with a cloth. Allow **TCS 40** to work for a few minutes and then jet off the dissolved soot with high pressure spray or wipe clean with wetted cloths. In difficult cases, use a soft brush or a white nylon cloth to rub.

Dosage

- Heavy contamination dilute with 1-5 parts of water.
 - Lighter contamination dilute with 6-10 parts of water.
- TCS 40** can be used concentrated on difficult stains if it is rinsed off carefully afterwards.

Storage

Store frost-free in original closed container.

Shelf life

Approximately 24 months in unopened container.

Precautions

Use protective gloves, clothes and goggles.
